What Our Students Say

Welcome to our centre

Located at Plaza Mont Kiara, ACE Language Centre has been providing exceptional language education for more than 4 years. Our center is dedicated to helping students improve their English proficiency through a variety of innovative teaching methods and materials. Our experienced and highly qualified teachers are passionate about teaching and are committed to creating a positive and supportive learning environment. We offer a range of courses that are tailored to meet the individual needs of our students, including General English, Business English, Exam Preparation, and more. At our center, you can expect to receive personalized attention, individualized feedback, and ongoing support to help you achieve your language goals

About Us

A licensed Language Centre specializes in English Language education. With more than 4 years of experience teaching English as a first & second language. ACE has gained a reputation for providing high-quality education in a friendly and supportive environment at an affordable price.

Malaysia's Favorite Language Centre

We are licensed by the Ministry of Education of Malaysia, We strongly believe in keeping abreast of the most up to date and creative teaching methodologies, in addition, our teachers are highly experienced professionals who hold all relevant qualifications. A number of our teaching professionals are also native speakers. This means our professionals can offer the highest standards to students of all levels with varying levels of skills and needs who are every bit as committed to your future as you are. Malaysia is an extremely diverse cultural hub because of this a range of languages are spoken with English being the primary language used in day to day communication.

Why ACE Language Centre?

Skilled Teachers

Highly experienced and qualified professionals with focus on good student discipline, proven academic performance, and small class sizes.

Affordable Courses

ACE courses are affordable for all walks of life. Our courses are unique and fulfills individual needs.

Efficient & Flexible

Our schedule is flexible for those who are tight with their schedule. We plan classes with utmost efficiency and delicacy.

Vision & Mission

Vision

We at ACE Language Centre believe that every student and professional in our extremely competitive modern world should have the opportunity to compete on a level playing field, that is why we ensure our English courses are the most relevant and up to date on the market today and strive to ensure that this will always be the case

Mission

our mission is to inspire every student and professional who enters our programme by empowering them through the delivery of the highest standard English courses, therefore opening up the biggest global networking tool available to them.

Our Value

What we do

Our objective is to provide the highest Standard English language courses to both national and international students in order to enhance their comprehension in reading, writing, listening and conversational English.

Furthermore, English is generally recognised internationally as the primary networking language in the majority of industries globally. Keeping this reality in mind, we at ACE Language Centre entered the sector with the vision to provide the very highest standards in language education and with the belief that we could empower every student who attends our courses with the confidence to communicate in whatever field of study or business they are in in a more effective manner.

By availing of our internationally recognised language courses, such as IELTS and TOEFL, Cambridge English Courses, FCE, PET, KET, etc. We believe our students will be one step ahead in their industries.

Our Courses

At our English language center, we offer a wide range of exceptional courses designed to meet the unique needs and goals of every individual, ensuring that everyone can find a course that is perfect for them

Adult English Course

Conversation English Course

This course helps students to build on their knowledge and command of English. It aims to improve the students in all areas of the English language vocabulary, grammar, reading, writing, listening and speaking.

Course Focus

- Levels are designed to accommodate a range of students from those who have no English language knowledge to students that have basic, moderate, or advanced knowledge. Each student will be given a placement test to assess their English level and will be placed in the appropriate level accordingly.

Level

Beginner to Advanced

Course Objectives

- Improve fluency and confidence: Many people struggle with feeling self-conscious or nervous when speaking English, even if they have a good grasp of the language. Emphasize that your class will help students feel more comfortable and confident when communicating in English.
- Develop natural-sounding speech: Some students may have a good understanding of grammar and vocabulary, but struggle to sound natural when speaking. Highlight that your class will focus on helping students develop more natural-sounding speech patterns and intonation.

General English Course

General English course focuses on improving accuracy, fluency, and complexity of the language with the aim at developing the four language skills i.e. Listening, Speaking, Reading, and Writing.

Command on English

- This course helps students to build on their knowledge and command of English. It aims to improve the students in all areas of the English language: vocabulary, grammar, reading, writing, listening and speaking.

Assessment

- Levels are designed to accommodate a range of students from those who have no English language knowledge to students that have basic, moderate, or advanced knowledge. Each student will be given a placement test to assess their English level and will be placed in the appropriate level accordingly.

Level

Beginner to Advanced

Course Objectives

- Develop and improve all four language skills (reading, writing, listening, and speaking) in English.
- Expand vocabulary and build confidence in using new words and expressions.
- Develop grammatical accuracy and fluency in communication.
- Improve pronunciation and intonation to enhance clarity and comprehension.
- Develop critical thinking and problem-solving skills through engaging in various types of texts and discussions.
- Develop effective learning strategies and habits to continue learning English beyond the course.
- Prepare students to communicate effectively in real-world situations and contexts, such as travel, work, or social interactions.

Intensive English Course

Intensive English course provides students with language skills and training for the IELTS examination and for those who want to succeed in an academic environment prior to joining university.

Course Objectives

- To gauge a student's initial level and their progress we use the Common European Framework of Reference for Languages (CEFR).

Tailored to your needs

- All intensive English courses can be tailored to your exact needs and can be taken at all levels from beginner to advanced. Our Intensive English classes will prepare you for your academic study at college or university help you improve your scores on English tests you might need in the future, such as IELTS, as well as immerse you in a new culture, providing many opportunities to practice English both at our institute and outside the class.

Course Focus

- Possibly you're relocating abroad within a few months, need to brush up on your English ahead of an important business meeting or have an upcoming exam. Whatever your reasons are, an intensive English course is the fastest way to learn a language quickly.

Large number of hours

- A typical intensive English course involves taking a large number of hours in a limited period. A typical course would see a student learning anywhere from 2 to 6 hours per day. Our Intensive English course is designed to give students the self confidence to communicate efficiently in real life situations. Our classes, which are small in size, focus on enhancing students' learning experiences by teaching them the skills of reading, writing, listening and speaking which are integrated with the necessary grammar, vocabulary, idioms and colloquialism.

Kids English Courses

Kids Academic English Course

Provide young learners with the language skills and academic preparation they need to succeed in English-speaking academic settings. The course focus on developing foundational skills in reading, writing, listening, and speaking, as well as building vocabulary and grammatical accuracy.

Course Objectives

- Develop young learners' foundational language skills in reading, writing, listening, and speaking in English.
- Build young learners' vocabulary and grammatical accuracy in English.
- Help young learners develop academic-specific skills, such as note-taking, summarizing, and presenting in English.
- Prepare young learners for academic success in English-speaking schools or universities.
- Enhance young learners' critical thinking and problem-solving skills through engaging in various types of academic texts and discussions in English.
- Improve young learners' pronunciation and intonation to enhance clarity and comprehension in English.

Course Focus

- The course includes instruction on academic-specific skills, such as note-taking, summarizing, research, and presenting.

"The goal of the course is to prepare young learners for academic success in English-speaking schools or universities, and to help them build the language skills necessary to excel in academic contexts."

Kids Conversational English Course

Provide young learners with the opportunity to practice and develop their speaking and listening skills in a fun, interactive, and engaging environment.

Course Focus

- The course includes developing natural, fluent communication skills in English, including building confidence in expressing ideas, opinions, and feelings in conversations. The course may also include exposure to various types of spoken English, such as informal conversation, interviews, debates, and presentations.

Course Objectives

- Developing speaking and listening skills
- Building confidence in using English

"The overall goal of the course is to help young learners become more effective communicators in English, both in social and academic contexts."

Kids Holiday English Course

Our fun and interactive course is designed to help children maintain and improve their English language skills during school holidays. Our experienced teachers use engaging activities and age-appropriate materials to help children develop their vocabulary, pronunciation, grammar, reading, writing, and conversation skills in English.

Course Focus

- The course focus on developing creative expression skills in English. Children could engage in storytelling, poetry, or other creative writing activities. Developing reading and writing skills in English, children could engage in reading activities to build comprehension skills, practice writing exercises, and learn how to express ideas effectively in writing. Children also could learn new vocabulary, practice pronunciation, and engage in role-playing or other interactive activities to build confidence and fluency in English conversation.

Course Objectives

- Maintaining and improving English proficiency during school holidays.
- Learning through fun and engaging activities.
- Preparing for future academic success.

[illegible]

TOEFL Preparation

TOEFL Preparation course is a focused approach towards covering the following **skills** and **approaches**; to gain knowledge on the test format of the actual test, practicing the past exam papers to know on the solving techniques, discussing the strategies on attempting and solving the question paper on exam day, to improve reading and listening skills for quick comprehension and to practice speaking with accuracy and fluency for the oral interview

What You will learn?

At the end of this course, you will be able to:

- Plan and compose essays in the style TOEFL demands
- Master the structure and expectation of TOEFL Listening, Reading, Writing and Speaking sections
- Respond fluently and accurately with wide range vocabulary in the oral interview
- Improve previous TOEFL IBT test score

"The goal of our TOEFL exam preparation course is to prepare learners for the test and help them achieve their academic or career goals, such as admission to a university or employment in an English-speaking country."

MUET Preparation Course

MUET is recognized by many higher education institutions in Malaysia, and a good MUET score is often a requirement for admission to undergraduate and postgraduate programs. The test is administered by the Malaysian Examinations Council (MEC) and is open to Malaysian citizens and international students who meet the eligibility criteria.

Course Focus

- The course can focus on familiarizing students with the format and requirements of the MUET test. This can include providing them with sample questions and test papers, explaining the scoring system, and helping them understand what is expected of them in each section of the test. This can include tips on how to manage time, how to read and interpret exam questions, and how to answer different types of questions.

Course Objectives

- To help students improve their English language proficiency in the areas of reading, writing, speaking, and listening.
- To familiarize students with the format and requirements of the MUET test.
- To teach students effective test-taking strategies that can help them succeed on the MUET test.
- To provide students with personalized feedback and guidance on how to improve their English language skills.
- To offer students the opportunity to take mock MUET exams to help them prepare for the real exam.

Business English Course

Business English

Business English courses typically cover a range of topics, including writing emails and reports, making presentations, participating in meetings, negotiating deals, and socializing with clients and colleagues. The course content may also include vocabulary and expressions specific to different industries or job roles. This course is available at different proficiency levels, from beginner to advanced. It's important for students to choose a course that is appropriate for their current level of English proficiency.

Help students to improve their language skills and confidence to communicate effectively in English in a professional setting, by teaching industry-specific language and communication skills for business scenarios, and increasing awareness of cultural norms in a globalized business world.

Course Objectives

- Improve language skills.
- Learn industry-specific language and expressions to communicate more effectively with colleagues, clients, and partners in a professional context.
- Develop communication skills for various business scenarios such as making presentations, participating in meetings, negotiating deals, and socializing with clients and colleagues.
- Build confidence in using English in a business context through practice and feedback.

Business English Certificate

Business English Certificate (BEC) course is designed to help students improve their English proficiency in a business context. It covers topics such as marketing, finance, and human resources and teaches vocabulary and expressions specific to these areas. The course emphasizes practical skills like writing emails, reports, making presentations, participating in meetings and negotiations, and socializing with clients and colleagues.

Students will also learn how to analyze and interpret business-related documents. Upon completion, students will be prepared to take the internationally recognized Cambridge English Business Certificates, which demonstrate their proficiency in Business English.

Course Focus

- The course typically includes practice tests and mock exams to help students prepare for the Cambridge English Business Certificates, which are available at three levels: BEC Preliminary, BEC Vantage, and BEC Higher.

Upon completion of the course and passing the exam, students will receive a certificate from Cambridge English Language Assessment, which is widely recognized by employers around the world as evidence of their proficiency in Business English.

Course Objectives

- To prepare students for the Cambridge English Business Certificates, which are internationally recognized qualifications that demonstrate the ability to use English in a business context.
- To help students improve their English proficiency in a business context, specifically by teaching vocabulary and expressions relevant to different business areas.
- To emphasize practical skills for business communication, such as writing emails and reports, making presentations, participating in meetings and negotiations, and socializing with clients and colleagues.
- To teach students how to analyze and interpret business-related documents, such as financial reports and market research.

Corporate Training

ACE Workplace English

Workplace English focuses on improving the English language proficiency of employees who work in a professional environment. Learners can improve their chances of success in the workplace, enhance their communication skills, and boost their confidence in using English in a professional environment.

Course Focus

- ACE Workplace English Course is designed to help students develop and improve their English language skills in a professional setting. The course focuses on providing learners with the necessary language skills to communicate effectively in the workplace, such as in meetings, presentations, negotiations, and everyday workplace interactions.

Course Objectives

- **Improve listening skills:** The course aims to help learners improve their ability to understand spoken English in a professional context, such as in meetings, presentations, and conversations with colleagues and clients.
- **Enhance speaking skills:** This includes practicing common workplace communication, such as giving presentations, leading meetings, negotiating, and discussing business matters.
- **Develop reading skills:** Improve learners' ability to read and comprehend English texts related to their work, such as emails, reports, and industry-specific materials.
- **Enhance writing skills:** The course focuses on helping learners improve their written communication in English, such as writing emails, reports, and other workplace documents.

Corporate Training Course

Customized training program that is designed to meet the specific needs of businesses and organizations. This program covers a range of topics, including leadership and management, customer service, sales and marketing, and technology. The Corporate Training Course is aimed at improving the skills and knowledge of employees to increase productivity, meet business goals, and improve the overall performance of the organization.

Course Focus

- This program is designed to enhance communication skills in various workplace scenarios, such as writing emails, participating in meetings, and delivering presentations. The Workplace English program is aimed at employees who need to improve their language skills to perform their job more effectively.

Course Objectives

- **Networking opportunities:** This course provides opportunities for students to connect with other professionals in their field, building their network and increasing their chances of finding new career opportunities.
- **Increased competitiveness:** As English language skills become increasingly important in today's global economy, students who are proficient in English are more competitive in the job market and have a better chance of advancing their careers.
- **Improved job performance:** By improving their communication skills and language proficiency, they can become more effective in their job roles, leading to improved job performance and increased opportunities for career advancement.

Cambridge Preparation Courses

Our Cambridge Preparation course is designed to provide learners with the skills and knowledge they need to successfully prepare for and pass the Cambridge exams, with a focus on improving their proficiency in all four key language skills: listening, speaking, reading, and writing

ACE Young Learners English (YLE)

We at [ACE Language Centre](#), believe that English for young learners should not be stressful for children. It should be fun and stimulating. Reading, writing, listening and speaking in English should come naturally. As their confidence develop, they would want to learn more and use English on a more challenging level. YLE includes three different exams: Starters, Movers, and Flyers. These exams are designed for children who are learning English as a foreign language, and they are intended to assess the children's language skills at different levels.

Course Focus

- YLE courses are designed to help children aged 7-12 improve their English language skills through a variety of age-appropriate activities and tasks that focus on the four key language skills: listening, speaking, reading, and writing.
- Developing the English language skills of young learners to help them prepare for the three levels of the YLE exams

ACE Cambridge English: KEY (KET)

The KET (Key English Test) is a basic level qualification offered by Cambridge Assessment English that is designed to assess a student's ability to communicate in simple English in everyday situations. The exam covers all four key language skills (listening, speaking, reading, and writing) and is recognized by many universities and employers as a reliable measure of a student's English language proficiency at the A2 level on the Common European Framework of Reference for Languages (CEFR).

Course Focus

- The KET course at [ACE Language Centre](#) aims to improve students' English language proficiency at the A2 level, familiarize them with the KET exam format, provide practice materials and assessments, and build their confidence in using English for everyday situations.

ACE Cambridge English: Preliminary (PET)

The PET exam is targeted at intermediate-level learners of English and is equivalent to a B1 level on the Common European Framework of Reference for Languages (CEFR).

Course Focus

- Our Cambridge English: Preliminary (PET) course focuses on developing the four key language skills of reading, writing, listening, and speaking. Students will read a variety of texts, such as articles and stories, to improve their comprehension and vocabulary.
- The course provide strategies and techniques specifically for preparing for the PET exam.

ACE Cambridge English: First (FCE)

This course is designed to help upper-intermediate level students prepare for the FCE exam by covering all four papers, providing exam-specific strategies and techniques, and improving overall language proficiency for achieving the best possible score.

Course Focus

- Throughout the course, students will work on developing their English language skills through a variety of activities, such as reading and discussing articles, writing essays and reports, listening to and analyzing different types of audio recordings, and practicing speaking tasks with feedback from their teacher and peers. The course will also include exam-specific practice activities, such as doing practice tests and analyzing the types of questions and tasks found on the FCE exam.

ACE Cambridge English: Advanced (CAE)

Our ACE Cambridge English: Advanced (CAE) preparation course is designed for advanced level students to prepare for the CAE exam by covering all four papers, providing exam-specific strategies and techniques, and improving overall language proficiency for achieving the best possible score.

Course Focus

- Our preparation course also provides extensive exam-specific practice, including taking practice tests and analyzing the types of questions and tasks found on the CAE exam. This helps students to become familiar with the format and structure of the exam, and to develop the skills and strategies necessary to perform at their best. Teachers will provide feedback on students' performance and help them to develop strategies and techniques for achieving their best possible score on the CAE exam.

"This preparation course helps students develop their advanced-level language skills and exam-specific strategies to achieve their best possible score on the exam."

ACE Cambridge English: Proficiency (CPE)

Cambridge English: Proficiency (CPE) is the highest level qualification offered by Cambridge Assessment English, demonstrating that a student has achieved a level of English proficiency equivalent to a native speaker and can communicate effectively in a wide range of complex academic and professional situations.

Course Focus

- The CPE preparation course is designed for students who have an exceptional level of English proficiency and want to prepare for the CPE exam. The course will focus on developing students' language skills to an extremely high level, with an emphasis on academic and professional communication. The course will cover all four papers of the CPE exam: Reading and Use of English, Writing, Listening, and Speaking. Additionally, the course will provide extensive exam-specific practice and feedback to help students improve their exam skills and achieve their best possible score.

What Our Students Say

ACE
LANGUAGE
CENTRE

We are delighted to share that our students have expressed their contentment with the services provided at ACE Language Centre. We are grateful for their willingness to share their thoughts with us and take pride in knowing that our efforts are appreciated by those we serve.

Zhoung Suk 

"I am 60 years old learning English with ACE Language Centre. I had my one week course with the native teacher and she made me speak English fluently within week's time. I will come back and join ACE again."

Riki/Subaru 

"The classes were conducted in small groups with experienced and friendly teacher. It made the learning experience here really fun. Besides helping us with our speaking and listening skills, the teachers also help us with pronunciation."

T.S Lin 

"I am doing my IELTS preparation with ACE Language Centre and I am very satisfied with my learning. My teachers are so great."

Sunny Kim 

"I like the teaching methods that used in the class. It helped me follow the lesson at my own pace. The teachers were very helpful and friendly. They were patient and always willing to help. I have improved much in my grammar and writing. I have also improved my speaking ability."
